About the interim financial statements

Notes about Exista's operations and accounting in 2006 and 2007

- Insurance and asset financing operations were included in the Group's accounts as of 1 June 2006, affecting revenue and expense items, as well as the balance sheet
- Group's financial statements are prepared in euros as of the beginning of 2007
 - Financials for 2006 translated into euros for comparison
- The equity method is used for the Group's strategic holdings in financial companies since the beginning of 2007
 - Reported income in the first half around €19 million lower than if assessed at fair value
 - Strategic holdings in non-financial companies continue to be assessed at fair value
- Interim financial statements prepared in accordance with IFRS and reviewed by the Group's auditors
